Mr. J. G. Baker,  
Sheffield, Alabama.

Dear Mr. Baker:

I have your letter of April 25 and have read the same with a great deal of interest. As you know county appointments are usually controlled by the Senator and Legislators from that county. While it would be out of place for me to take any part in a fight in Colbert county I may say to you that it will give me a great deal of pleasure to tell Governor Graves and Larence Lee of the fine fight you have made for good government in Alabama.

Your other letter came at a time when I was swamped with work, hence my failure to answer same.

Sincerely yours,

RHW: AIS
