ATTORNEY AT LAW  
FLORENCE, ALA.

July 2, 1931.

Senator R. H. Walker,  
Montgomery, Alabama.

Dear Senator Walker:

Since the smoke of our battle over the Muscle Shoals Resolution has cleared away, and we are able to see and appreciate things in their proper proportion, we feel that we owe it to you to express our genuine admiration for the vigorous and efficient manner in which you handled your side of the controversy. Though we felt then, and still feel, that you were on the wrong side in the fight, we have at all times been certain that your position in the matter was the result of honest and deep seated convictions.

Your honesty of purpose, and your tenacity against great odds, has merited and received our sincere admiration. We regard it as an indisputable evidence of outstanding ability that you could have, without the help of any of the powerful influences and through the sheer force of your own personality, ~~made~~ made so nearly a successful fight as you did.

Again congratulating you on your splendid fight, we are with kindest personal wishes.

Yours very truly,

OBH:EH
