

ALABAMA

R. H. WALKER, SENATOR
1ST DISTRICT--LAUDERDALE AND
LIMESTONE
ATHENS

SENATE CHAMBER

MONTGOMERY

Sept. 29, 1932.

My dear Memory:

I have just read in the Decatur Daily of Jack Witt's death. It was quite a shock as I didn't know he was sick. Mr. Witt had just written me endorsing my course. I have just written him a letter of condolence. It was no easy thing to do.

I suppose Bob Henry got the car from Stovall's Tuesday. I stopped by there as I went up town Monday noon and he had gotten the broken part from Decatur and said he would fix the car immediately.

As you doubtless saw the legislature adjourned over from Tuesday to Friday, but the committees have been working. I just came from before the ways and means committee about a bill Tom Rogers of Florence wanted passed. They reported it favorably, Have also gotten another one out of another committee today and have to go before the education committee tonight. Tom Spencer went home Tuesday afternoon and said he would be back tonight, but I doubt it as he would be here only for the short Friday session.

We hope to get through a little earlier tomorrow, but no doubt will have to wait on Patterson and Tidwell as the house will be busy.

With much love,

As ever,

Harry
