I will have to switch over to this paper as the town-  
let has run out & ~~Wm~~ has never sent me  
checks, envelopes or paper. Just why he is so  
very remiss about doing the things I so urgently  
request I can't understand. I wish you would  
phone Rich - on receipt of this - and tell  
him to mail me paper, envelopes & checks if  
we will not send them & unless he ~~for some~~  
his forgetfulness it will seriously hamper him in  
business. This may not sound pleasant to him  
but it's very true nevertheless.

I am very much obliged to you for mailing me  
last week's Courier & please send me this week's  
also & ask Rich to get over before last's Cour-  
ier & mail to me.

I fear Brooks will be a disappointment as  
I feel the company is not a very good one.  
Don't see why you want to spend the money to  
see it again.

I hope to leave for home today or tomorrow  
week. I shall be so glad to see you & I  
have been here a little over five weeks and it  
seems like an age. I still suffer or rather have  
too much gas. It seems to affect every newcomer  
that way. You are complaining of the same thing.

Boby J. & family also had it & also his.

I must close with a heart full of love for my dear  
wife & boys. So glad Robt. is free of fever. Devotedly yours  
See when I send off two checks & return for life insur-  
ance one 17<sup>th</sup> & one 65<sup>th</sup> & as that money is in bank. } Harvey.
