Mr. R. H. Walker,  
Athens, Alabama.

Dear Mr. Walker:

I wish to take ~~this~~ opportunity to place my son's application with you for the position of page during the next session of the Legislature. I realize you are a very busy person and have numerous demands made of you but I will greatly appreciate your considering this application. Paul is 12 years of age, a very reserved type of boy and most conscientious. He has a pleasing personality and has always been very smart in school.

Since the death of my husband I have been fortunate in securing work with the City at a very small salary. This work was obtained through Mayor Gunter and he is familiar with my financial condition.

If it is possible for you to use Paul during the next session I assure you it will be deeply and gratefully appreciated.

Thanking you, I am,

Sincerely,

*Mrs. Hattie R. Felder*
