Hon R. H. Walker,  
Montgomery, Ala.

My Dear Mr Walker;

I have just received a  
notice to report in Decatur for  
work at \$2<sup>00</sup> per day.

I appreciate what you  
are trying to do for me and do  
hate to being worrying you  
but Mr Walker I absolutely do  
not know what to do. As two  
dollars will barely pay my  
board and expenses.

Will you please advise me  
by return mail what you think

best as Mr Burnum told me  
he did not know when there  
would be any chance for  
advancement and it will be  
impossible to live on that salary  
very long.

Hope to hear from you soon.

Yours truly

Fred Strain.
