My Dear Mary -

We are killing time today & tomorrow
so all bills can be improved by Saturday
when we meet again. We may not get
the rough until late Saturday night. I will
come home with Shelly & John Patterson in
the former's car &

Senator Edmundson gave me an in-
sistent invitation to go with him & Shelly
in the former's car to Jacksonville, Fla., to visit
his sister. I was glad I had a good excuse as I
couldn't have stood the trip very well. Jim
Rhodes & Bernard Arnett were here &
we got the latter a job as guest at \$75

ZIMMERMAN LITHO. CHICAGO.

for me. if he wants it - Jim & I want
in to see the Gov. for George Sherrill. Think
we had good results. Will get the
job if we can get Smith, chief exam-
iner, to recommend him. Think
we can.

Tom & I went to Selma today with
Mr & Mrs. Tidwell ~~and~~ St. John to see
the latter's sick daughter.

Love to all. Tell Bill
to give Richardson & Shosty their
checks Saturday & sign my name
if I don't get them by Jan 2nd.
Yours, with much love,

Harry.
