Judge Henry E. Norton

Respectful Sir -

Dear Judge. Just reading your fair spirit in the Scottsboro boys case ~~and~~ I feel it my duty as a colored citizen of this USA to Congratulate you and thank you for your fair feeling against my race -

As a rule white people all ways seem heartless and far get a black man have a soul. They kill them like they were dogs.

But thanks be to god I see one Christian gentleman who means right who has lost sight of Creed or Col. But asking that fairness & justice be. That good man is Judge Henry E. Norton a man of god. I admire everything you said in this Sunday paper.

I just had to write you & thank you for the good spirit manifested in this case.

I am a (Colored) Citizen of Detroit I read your Statement - in the free press and am writing you -

I wish I lived there so I could have a big parade with banners Judge Horton Judge Horton - a fair man who means right -

I thank you judge as though there be was mine I am deeply Consoerning about my race. because we have we have been treated like Cattle killed & dogs. Nothing done about it

We are all gods human family All the difference is you are white. Am black but justice & right must prevail god have no respective person in conclusion I thank you & hope you will see that those boys are free. I could not see no Cause for action it was a made up case & hold them poor black boys prison up all these years for after all god took a hand. I am afraid of Lynching if they are acquitted but he

they will catch a train & leave by  
night if they are freed -

Respectfully Julia M Carter
