my dear Wife -

We remain here, after a very pleasant trip, yesterday about 11³⁰ a.m. There was a very pleasant party along. Your old friend the Hon. C. W. Andrews, Lee Andrews, Cal George Jones, & Atticus Nevins, Cy Brown, Judge Nathan & others. We came via Cleveland & down the Hudson from Albany.

The delegates met at 3³⁰ yesterday apt + There was quite a discussion - some what tart - between Buck Davis, Dances and Ed Thompson of the Com. The delegates with former Johnson. The latter wanted to tie Thompson's hand before he was elected on the platform.
