Hon. R. H. Walker,  
Athens, Alabama.

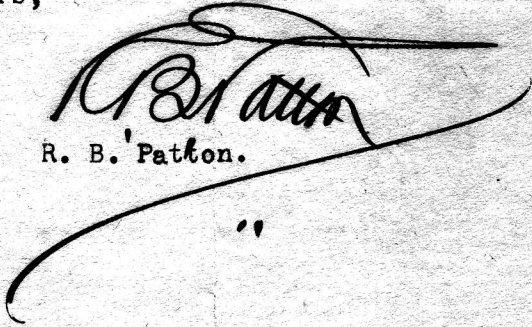

Dear King:

Have thought about you a great deal during the time you were going through that terrible ordeal, and have genuinely sympathized.

Some contraband game came to me to-day by a friend, and I am sending it on to you, with a lot of good wishes, and the hope that you will enjoy them, knowing if you do, your pleasure in them *can* not be even a modicum of what my pleasure will be to know you are getting strong rapidly, and you will soon be your self again.

Cordial good wishes for a quick and complete recovery, goes to you from,

Sincerely yours,

  
R. B. Patton.
