

Fayetteville Tenn
May 13. 1929—

Dear Memory—

I have intended
writing you every day
but so many interruptions
I had a check from
Tenn Saturday morning by
his own hands - was so
glad, and surprised to get
it - He said he was feel-
ing better - still up several
hours every day and
appetite good - And he
to me no a visit
this summer - I hope he
also - More than had a
to see him again
think he wants some

of his own people with
him -
Mother was on ed. and
so disappointed. She didn't
want to go to Athens
where Lula went - It was
Miss Rennie McWhorter's
car, but Lula knew, that
mother had arranged
her classes that day, so
she could get off in
time - went without,
calling her that morning
she says she will not
forget it soon -
Conversations are in
full blast. This week the
High School in the new
building, which was
dedicated with great
ceremony last Friday
night - R. E. Lee School. The

Bayview College - I have
special interest in all
of them - and will be
glad when it is all
over then the Chontong
which I dread -

Did you go to the wheels
decoration? I read about
it - I know it was fine -

How are you getting on
while Harry is in New
York - where will he
be home -

I have not heard
from Mollie in some
time - I have been
so busy to send them
a few things, but no body
would take time to list
them up - I hope to get
it off tomorrow - as my

will have more time
from her various duties
as Mr Hobbs went to Atlanta
today to a Southern
Association will be gone
all this week -
We had a house full
of company all day yesterday
Ethel had some friends
from Nashville who came
in the morning - Tom
Bayley and his children
in the afternoon - she
was not with them - she
is with Virginia in Memphis
Robert was with them
you know Emma
children went back on
him - He looks better
than I ever saw him - He is
a fine boy - No telling what
effect it will have on
his life - He seems almost

(31

like one of my children
They lived close to us
until they moved to Hicksville
several years ago - I own some
our old farm near here,
and makes profits of
money with cotton -
Tell Bob Henry, Felix
had a tooth pulled
last week and was out
of school two days. He said
it nearly killed him - He
is over it now, and studies
hard what he can get
from play - So he is
in several things this
week in the high school
exercises. Next year will
be the "King of Queens" with
her - will be her last in
the school - you must

make us another visit
well soon - I am so
anxious to go to the old
place - It is such a little
way - straight from here
I went to Shelbyville two
weeks ago to see a very
dear niece of Major Buckners
who is death sick there.
Robert drove me, and we
were just 40 minutes going
mile and tell me every
thing I need to get your
letters - I know your dear
mother would be so fond
of you, if she could know
how much you mean
to all of us, and to your
friends - How you are
following in her foot
steps this is not half I could
say - but I must stop
and write to Tom and Kitty
