Mr. R. H. Walker,
Athens, Ala.

Dear Mr. Walker:

The State Insurance Policies come up for re-newal the first of October and I have written to the Board of Administration for a portion of the insurance this time. I sent in my application the first of Sept. and Mr. B. C. Rogers, President of the Board of Administration wrote me that he was filing my letter and would give it consideration when the time came to place the business. You know this is like everything else, it is given to their friends. Athens and Limestone County Agents have never received any of this business. I think we should get a portion of it.

I wonder if you could write a letter to them for me, asking them to favor me in this. I understand that Gov. Graves has to pass on them at the last. I suppose you know all these men and know which one to write to about it. Also, whether you think I can get it or not. I believe Gov. Graves will see that I get a portion of it, if you ask him to.

Now, do not exert yourself, but if you feel well enough to write this or have someone else do it, I will surely thank you.

Best wishes and hope you are soon well again, I am,

Yours very truly,

Bertha Morris
