### *From A Piece Of A Flower*

*This flower that came, this flower that bloomed,  
We expected this day, it wasn't so soon.  
God watched over us and prepared us for this day,  
When he would call his son, cause this is not where he stay.  
Here before us lies a man full with pride,  
He died the way we all want to- with his family at his side.  
His sons, daughters, nieces and nephews.  
Now he's in God's church - sitting in his pews.  
His grand boys, grand girls and also his great grand babies.  
It's one thing I won't forget, the way he raised me.  
He left us all a message to remember inside  
He told Mama Katie he wasn't going to miss that glory train ride.  
So ride on Daddy 'G' to that Heavenly Shore,  
To be with Jesus forever more.*

### *"I Can Hardly Wait To Get There"*

*Life is so hard down here, with troubles pressing on every side;  
It's hard to survive.  
But I find strength in knowing this world is not my home,  
Heaven is where I belong.  
I'm going to that land that my savior promised me, up in heaven  
is where I'll be. No more heartache, no more pain.  
I can't hardly wait to get there.  
Nothing compares to my home up in glory that God has for me.  
A land so bright and fare I'll give everything I have  
because I want to be there.  
A land of milk and honey, streets are paved with gold,  
I will sing his praises when I get home.      Written by: "Terry"*
