Mr. John L. Neely, Jr.,  
Manager, Muscle Shoals Plants,  
Wilson Dam, Alabama.

Dear John:

I have instructed the Clerk of the House to send you a copy of the Revenue Bill. If you don't receive it within the next few days please advise me and I will send you another copy. Hope that it will be of service to your native state.

I had a very pleasant visit to Knoxville last Saturday and will probably be there at the T.V.A. celebration next Friday.

Sincerely yours,

RHW:AIS
