Protest

I ask leave to enter my protest to the action this day taken by the Commissioners Court upon the proposition to repeal the assessment of the Special Tax authorized by the Legislature act of 20,000 per annum for the completion of the Alabama and Tennessee Central Rail Road, as in my Judge's report the assessment and levy of said tax for the purpose expressed is impugned upon this Court, and I offer this protest in this solemn form that it may appear as a Memorial upon its merits of my opposition to such an act of bail faith to the bond holders and as a rebuke to such an act of repudiation.

by the Hon Probate Judge of said County to examine & report upon the acts & vouchers of Co Treasurer by leave to report as follows viz. we find that the County Treasurer has received from the 5<sup>th</sup> day of Feby 68 including balance on hand at that time up to this 5<sup>th</sup> day of Feby/69 eleven thousand two hundred & twenty seven dollars and seventy four cents and we find that he has paid out as per acts & vouchers remaining from one to One hundred & seventy inclusive all of which we find correct upon a careful examination and that he has paid out in the aggregate as per said vouchers Eleven thousand one hundred and nineteen dollars & twenty one cents and that his commission at 5 per cent on six thousand one hundred & twenty dollars & twenty one cents is three hundred and six dollars & one cent leaving a balance due him owing to the fact that no tax having been collected for 1868 up to the present time the amt of one hundred and ninety seven dollars and forty eight cents which amt we are satisfied is due him and as such bring down to his credit all of which is respectfully submitted.
