 2 Aug 27 J. W. Rogers. Pids. Act. & putting up bridge

Ordered that the petition for establishing the road known as the Snake River, in Georgia Beas. in this County, be refused, for the reason that, the damages claimed by the land owners over whose land the road would pass, is excessive.

ordered by the court. that, after going upon the ground
and examining the ~~grounds~~, and making a full
and fair investigation, and only considering the
objections made by McEntire Bros. through their
attorneys McLeellan & McLeellan, and the report made
by John S. Lucas and six other householders, citizens
of this county, viewers herebefore appointed by order
of this court. They believe the road is petitioned
for, ~~the road~~, commencing at Lucas Ferry on the
North bank of the Tennessee river in Jimmie's
county, thence up said river to the Memphis &
to Holston Rail Road Bridge, opposite Decatur,
to be a public necessity, and that the compensa-
tions fixed by said viewers, for the lands over
which said road passes, to be just and equitable.
Therefore, the court accepts the route and confirms
the report, and orders that said road be opened
as the cops are taken off of said lands, and
further orders that the compensation allowed to
the several land owners over whose land the road
passes, be tendered said owners. From each order
and judgment McEntire absconded by their attorneys
appealed to the next term of the Cir. Court of this
Tennessee county, and gave answer bond for the
costs thereof, and the court orders proceedings in
this matter to cease until a decision thereon is ren-
dered by said Cir. Court.
