## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, MAY 31st, 1938

The Board of Revenue met on May 31st, 1938, pursuant to adjournment on May 16th, 1938, and there were present and presiding J. M. Holt, Chairman, and members, Mason C. Freeman, W.C. Marks, Fred Dawson and Homer McLemore. Absent: None. Mr. Holt acted as Chairman of the meeting and, a quorum being present, declared the meeting open for the transaction of business.

The following resolution and order was introduced by Mr. W. C. Marks:

WHEREAS, During the fiscal year ending September 30, 1937, Limestone County (which is herein referred to as "the county") received from the State of Alabama the aggregate sum of \$78,172.69 as the county's share of the tax levied by the State of Alabama on the sale, distribution and withdrawal from storage of gasoline and other motor fuels and distributed to the county pursuant to the laws of said state; and

WHEREAS, In the opinion of the Board of Revenue of the county the aggregate amount which will be received by the county as its share of said tax during each of its fiscal years until and including the year ending September 30, 1942, will be not less than said last mentioned sum; and

WHEREAS, The Board of Revenue of the county does hereby find that it is necessary to construct certain public roads and bridges in the county and for the payment of the necessary expenses in connection therewith the county does not have and will not have funds available from its current year's income to pay the costs thereof, and it will be necessary that the county raise not less than \$22,000.00 in cash for such purposes; and

WHEREAS, In order to provide for the payment of the labor and services necessary to be rendered and the materials, supplies and equipment necessary to be used in connection with the work of constructing such roads and bridges, it is necessary that the county issue its warrants hereinafter referred to payable in installments in the future in the manner hereinafter provided; and

WHEREAS, At the present time there are no warrants outstanding issued by the county against and payable out of the proceeds hereafter to be received by the county from the said tax levied by the said state and distributed to the county;

NOW THEREFORE, It is hereby resolved, ascertained, ordered and decreed by the Board of Revenue of Limestone County, Alabama, as follows:

(1) The statements set out in the foregoing preambles hereto are hereby found and declared to be true.

(2) For the purpose of providing funds for the payment of the labor, services, materials, supplies and equipment necessary in the construction of necessary public roads and bridges in the county, there is hereby authorized to be issued by the county twenty-five State Gasoline Tax Revenue Warrants (which are hereinafter referred to as "the warrants") of the county, numbered consecutively from 1 to 25, inclusive, and aggregating the principal amount of \$22,000.00. Those of the warrants bearing serial numbers 1 to 7, inclusive 9, 10, 12, 13, 15, 16, 18, 19, 20, 22, 23 and 24 shall be in the principal amount of \$1,000.00 each, and those of the warrants bearing serial numbers 8, 11, 14, 17, 21 and 25 shall be in the principal amount of \$500.00 each. The warrants shall be dated June 1, 1938, and shall mature as follows:

Numbers (both inclusive)	Maturity Date	Aggregate Amount
1 to 5	June 1, 1939	\$5,000.00
6 to 8	December 1, 1939	2,500.00
9 to 11	June 1, 1940	2,500.00
12 to 14	December 1, 1940	2,500.00
15 to 17	June 1, 1941	2,500.00
18 to 21	December 1, 1941	3,500.00
22 to 25	June 1, 1942	3,500.00

The warrants shall bear interest at the rate of 5% per annum, payable semi-annually on December 1 and June 1 in each year until their maturity, and at the rate of 6% per annum after maturity. Such interest prior to maturity shall be evidenced by separate interest coupons (which are hereinafter referred to as "the interest coupons") attached to the warrants. Each interest coupon shall represent six months' interest. The warrants and the interest coupons shall be payable at the office of Limestone County Bank, the present county depository, in the City of Athens, Alabama.

(3) The warrants shall be signed by the Chairman of the Board of Revenue and the official seal of the Board of Revenue or of the county shall be affixed thereto and attested by the Clerk of the Board of Revenue. The interest coupons shall bear the facsimile signature of the Chairman of the Board of Revenue, which shall be valid in all respects as if signed by him in person. The Judge of Probate, the Chairman of the Board of Revenue and the County Depository are hereby authorized and directed to register the warrants and the interest coupons as claims against the State Gasoline Tax Revenue Warrant Fund of 1938 hereinafter referred to, and such registration shall be made simultaneously with respect to all of the warrants and the interest coupons so that none of the warrants will have priority over any other warrant with respect to the pledges therefor.

(4) There is hereby established a special fund to be known as the "State Gasoline Tax Revenue Warrant Fund of 1938" (which is herein referred to as the "said special fund") for the purpose of providing for the payment of the principal of and interest on the warrants. Said special fund shall be maintained until both the principal and the interest on the warrants shall be paid in full. There shall be paid into said special fund, on or before the 15th day of each successive month, beginning with the month of June 1938, and continuing to and including the month of May 1939, an amount equal to one-twelfth of the principal of those of the warrants which will mature on June 1, 1939, plus one-twelfth of the interest which will mature on the warrants on December 1, 1938, and June 1, 1939, and there shall further be paid into said special fund, on or before the 15th day of each successive month beginning with the month of June 1939, and continuing until all of the warrants and interest coupons and the interest thereon shall have been paid in full, an amount equal to one-sixth of the principal of those of the warrants which will mature during each successive six months' period subsequent to June 1939, plus one-sixth of the interest on the warrants which will mature during each such successive six-months' period. In addition thereto, there shall also be paid into said special fund during each successive six months' period beginning December 1, 1938, and continuing until the principal of and the interest on all of the warrants shall have been paid in full, the following amounts: (a) the amount by which all payments made into said special fund during any preceding period shall be less than the amount herein required to be paid into said special fund during such preceding period; (b) the amount of all sums theretofore paid into said special fund which shall have been lost or which is not for any reason immediately available for the payment of such principal and interest; and (c) any additional sums which may be necessary in order to pay the principal of and interest on the warrants as said principal and interest are herein provided to be paid.

The warrants and the interest coupons issued hereunder shall be secured pro rata by a lien on the proceeds hereafter accruing to the county from the tax or taxes referred to in paragraph (5) hereof, without preference or priority of one over another, which lien shall be prior to that of any other warrants of the county hereafter issued.

Docket Ala. 1368-F  
Repairs to Courthouse  
Athens, Ala.

Dear Sir:

In compliance with the P.W.A. requirements in connection with the acceptance of the offer for Federal Grant for the above Docket, we have reviewed the estimate of cost for the repairs, alterations, additions and equipment as set out in your Application dated July 30, 1938, and find that the sum total of \$30,000 which is the estimated construction cost including Architect's Fee, is in our best judgment sound and sufficient to construct the proposed work. We, therefore, feel that there is no need for revision of the estimated cost set out in the Application.

Yours very truly,

(a) All sums which shall be or become due or payable to the county as payment of its share of the tax levied by the State of Alabama under the provisions of Schedule 156.1 of Section 348 of the General Revenue Act of Alabama of 1935 (General Acts of Alabama of 1935, page 509) and allocated or distributed to the county

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, FEBRUARY 24th, 1939

pursuant to the provisions of Schedule 156.9 and Schedule 156.11 of said Section 348 of said act;

(b) All sums and amounts which shall be or become due or payable to the county by any succeeding, corresponding, equivalent, amended, supplemental or additional act or provision of law authorizing or relating to collections received by or apportioned to the county from gasoline or motor fuels taxes, or the proceeds thereof, which the county shall be lawfully authorized to appropriate, transfer, pledge or use for the construction or maintenance of roads and bridges in the county or for the payment of the warrants and interest coupons; it being the intention hereof to include and subject to and set aside, for the payment of the principal of and interest on the warrants, the proceeds payable to the county not merely by virtue of Schedule 156.9 and Schedule 156.11 of Section 348 of the General Revenue Act of Alabama of 1935, but the proceeds payable to or collected by the county under any corresponding, successive, equivalent, amended, supplemental or additional provision of law which the county may lawfully pledge, assign or set apart for the purposes hereof, in such wise that if the allocation provided by said schedules be repealed, suspended or supplemented, any succeeding, corresponding, equivalent or additional fund shall be subject to the payment of said warrants and the interest thereon as contemplated hereby.

(6) The county depository is hereby directed to make the payments into said special fund in accordance with the provisions therefor provided in paragraphs (4) and (5) hereof. The county depository is further ordered and directed to transmit to Birmingham Trust & Savings Company, at Birmingham, Alabama, out of the moneys so paid into said special fund, so that said Birmingham Trust & Savings Company will receive the same on or prior to the respective maturity dates of the warrants and the interest coupons, such amounts as shall be necessary to pay the warrants and the interest coupons, as the same respectively mature, at par and without deduction for costs, fees, expenses or exchange.

(7) Said special fund and all moneys at any time in or pertaining thereto, and the proceeds at any time payable to the county from the tax or taxes referred to in paragraph (5) hereof and herein ordered paid into said special fund, are hereby assigned to the holders of the warrants and the interest coupons, are hereby pledged solely for the payment of the principal of and interest on the warrants and the interest coupons, and are hereby declared to be trust funds solely for the benefit of the warrants and the interest coupons. None of the proceeds so received by the county and herein ordered to be paid into said special fund, and no part of the said special fund or any of the moneys at any time forming a part thereof or pertaining thereto, shall be used for any purpose whatsoever other than for payment of the principal of and interest on the warrants and the interest coupons. Failure to pay into said special fund the proceeds received by the county from the said tax or taxes, in accordance with the provisions hereof, or use of any of such proceeds for any purpose other than for which the same are hereby pledged, shall constitute a diversion thereof. The warrants and the interest coupons issued hereunder shall be secured pro rata by a lien on the proceeds hereafter accruing to the county from the tax or taxes referred to in paragraph (5) hereof, without preference or priority of one over another by reason of prior issuance or registration thereof, which lien shall be prior to that of any other warrants of the county hereafter issued or any contract of the county hereafter made.

(8) The general faith and credit of the county are not pledged to the payment of the warrants or the interest coupons. The warrants and the interest coupons shall not be general obligations of the county but shall be payable solely out of said special fund. Neither this resolution nor any of the warrants or the interest coupons issued hereunder shall be deemed to impose upon the county any obligation to pay the principal of or interest on the warrants, or any other sum, except with the moneys herein directed to be paid into said special fund. None of the agreements, representations and warranties made or implied in this resolution and order, or in the issuance of the warrants and the interest coupons, shall ever impose any pecuniary liability upon the county, except with respect to the said moneys herein directed to be paid into said special fund.

MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, MARCH 20th, 1939

The following resolution was offered by Member Fred Dawson who moved its adoption:

Whereas, The Tennessee Valley Authority has agreed to allow Limestone County to obtain gravel for road surfacing from a deposit near the Elk River Fish Hatchery, and

Whereas, Said gravel may be obtained without cost to the County provided the overburden from the gravel pit is removed by the County and placed on a levee, which will form a rearing pool at the hatchery, and

Whereas, The County needs the gravel which ordinarily costs five cents per cubic yard royalty, and which may be hauled from this particular pit at less cost than from any other source,

Now Therefore Be It Resolved, That the County accept the offer of the Tennessee Valley Authority. The motion was seconded by Member W. C. Marks. A vote was taken and the motion carried.

TENNESSEE VALLEY AUTHORITY

March 21, 1939

Mr. J. M. Holt  
Limestone County Road Supervisor  
Athens, Ala.

Dear Mr. Holt:

Mr. J. H. Tinsley has informed me that Limestone County would like to have a quantity of gravel from the slough between the administration buildings and the main system of ponds. It is now planned to flood this area, thereby adding about ten acres to the originally contemplated size of the hatchery.

Before this area is flooded, it will be quite permissible for the county to take gravel from the area up to any amount designated by Mr. Tinsley, provided the area is left in a condition suitable to Mr. Tinsley. If it is desirable to stock pile the gravel, this may be done and access to the pile will be available until it is all removed. Please discuss the location of the stock pile with Tinsley and locate it out of the way of normal operations of the hatchery when completed. Probably the best place would be in the area just South of the present construction buildings.

Yours very truly,

TENNESSEE VALLEY AUTHORITY

ATTEN: Mr. J. M. Holt,  
Chairman

Docket: Alabama 1368-F  
Repairs to Courthouse  
Athens, Ala.

Dear Sir:

In compliance with the P.W.A. requirements in connection with the acceptance of the Offer for Amendatory Federal Grant for the above Docket, we have reviewed the estimate of cost for the repairs, alterations, additions and equipment as set out in your Application dated Dec. 1, 1938, and find that the sum total of \$34,190.00, which is the revised estimated construction cost including Architect's Fee, is in our best judgment sound and sufficient to construct the proposed work. We, therefore, feel that there is no need for revision of the estimated cost set out in the Application.

Yours very truly,

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, SEPTEMBER 5th, 1939

(a) All sums which shall be or become due or payable to the county as payment of its share of the tax levied by the State of Alabama under the provisions of Schedule 156.1 of Section 348 of the General Revenue Act of Alabama of 1935 (General Acts of Alabama of 1935, page 509) and allocated or distributed to the county pursuant to the provisions of Schedule 156.9 and Schedule 156.11 of said Section 348 of said act;

(b) All sums and amounts which shall be or become due or payable to the county by any succeeding, corresponding, equivalent, amended, supplemental or additional act or provision of law authorizing or relating to collections received by or apportioned to the county from gasoline or motor fuel taxes, or the proceeds thereof, which the county shall be lawfully authorized to appropriate, transfer, pledge or use for the construction or maintenance of roads and bridges in the county or for the payment of the warrants and interest coupons; it being the intention hereof to include and subject to and set aside, for the payment of the principal of and interest on the warrants, the proceeds payable to the county not merely by virtue of Schedule 156.9 and Schedule 156.11 of Section 348 of the General Revenue Act of Alabama of 1935, but the proceeds payable to or collected by the county under any corresponding, successive, equivalent, amended, supplemental or additional provision of law which the county may lawfully pledge, assign or set apart for the purposes hereof, in such wise that if the allocation provided by said schedules be repealed, suspended, or supplemented, any succeeding, corresponding, equivalent or additional fund shall be subject to the payment of said warrants and the interest thereon as contemplated hereby

(6) The county depository is hereby directed to make the payments into said special fund in accordance with the provisions therefor provided in paragraph (4) and (5) hereof. The county depository is further ordered and directed to transmit to The Limestone County Bank of Athens, Alabama, out of the moneys so paid into said special fund, so that said Limestone County Bank will receive the same on or prior to the respective maturity dates of the warrants and the interest coupons, such amounts as shall be necessary to pay the warrants and the interest coupons, as the same respectively mature, at par and without deduction for costs, fees, expenses, or exchange.

(7) Said special fund and all monies at any time in or pertaining thereto, and to proceeds at any time payable to the county from the tax or taxes referred to in paragraph (5) hereof and herein ordered paid into said special fund, are hereby assigned to the holders of the warrants and the interest coupons, are hereby pledged solely for the payment of the principal of and interest on the warrants and the interest coupons, and are hereby declared to be trust funds solely for the benefit of the warrants and the interest coupons. Failure to pay into said special fund the proceeds received by the county from the said tax or taxes, in accordance with the provisions hereof, or use of any of such proceeds for any purpose other than for which the same are hereby pledged, shall constitute a diversion thereof. The warrants and the interest coupons issued hereunder shall be secured pro rata by a lien on the proceeds hereafter accruing to the county from the tax or taxes referred to in paragraph (5) hereof, without preference or priority of one over another by reason of prior issuance or registration thereof, which lien shall be prior to that of any other warrants of the county hereafter issued or any contract of the county hereafter made.

(8) The general faith and credit of the county are not pledged to the payment of the warrants or the interest coupons. The warrants and the interest coupons shall not be general obligations of the county but shall be payable solely out of said special fund. Neither this resolution nor any of the warrants or the interest coupons issued hereunder shall be deemed to impose upon the county any obligation to pay the principal of or interest on the warrants, or any other sum, except with the moneys herein directed to be paid into said special fund. None of the agreements, representations and warranties made or implied in this resolution and order, or in the issuance of the warrants and the interest coupons, shall ever impose any pecuniary liability upon the county, except with respect to the said monies herein directed to be paid into said special fund.

It is hereby certified and recited for the benefit of any person or persons to whom this warrant may be issued or assigned that this warrant represents a valid claim against said special fund; that the amount ordered paid hereby will be so due without condition, abatement or offset of any kind; that all conditions, actions and things required by the constitution and laws of the State of Alabama to exist, be performed or happen precedent to and in the issuance of this warrant, exist, have been performed and have happened; and that provision has been made for the segregation and use of monies receivable by the county solely for the payment of this warrant and the interest thereon, which funds are hereby represented to be sufficient for such purpose.

This warrant and the interest coupons hereto attached may be assigned or transferred by delivery. The county agrees with the registered holder hereof, and with any person or persons to whom this warrant and the said coupons may be assigned, and that neither the principal of nor the interest on this warrant will be paid except upon presentation and surrender of the respective warrant coupons. Said registered holder and said person or persons agree with the county that it may treat the bearers of this warrant and of said coupons as the owners thereof, and agree that the respective bearers thereof shall be entitled to receive the principal and interest ordered paid thereby. Any owner or holder of this warrant or of any of the said coupons shall be conclusively presumed to forego and renounce his or their equities in favor of subsequent owners or holders thereof for value without notice, and to agree that this warrant and the said interest coupons may be severally assigned or transferred by any person having possession thereof, howsoever such possession may have been acquired, and that any owner or holder who shall have taken this warrant or any such interest coupon from any person for value and without notice shall thereby acquire absolute title thereto and to any claim evidenced thereby, free from all equities and claims of ownership of any such prior owner or holders.

IN WITNESS WHEREOF, the said county, acting by and through its Board of Revenue, has caused this warrant to be signed by the Chairman of the said Board of Revenue, and has caused the seal of said Board of Revenue to be hereto affixed and attested by the Clerk of said Board of Revenue, both of whom have hereunto subscribed their signatures, and has caused this warrant to be dated September 20, 1939.

In addition thereto, there shall be paid into said special fund during each successive six months' period beginning June 1, 1940, and continuing until the principal of and the interest on all of the warrants shall have been paid in full, the following amounts: (1) the amount by which all payments made into said special fund during any preceding period shall be less than the amount herein required to be paid into said special fund during such preceding period; (b) the amount of all sums heretofore paid into said special fund which shall have been lost or which is not for any reason immediately available for the payment of such principal and interest; and (c) any additional sums which may be necessary in order to pay the principal of and interest on the warrants as said principal and interest are herein provided to be paid.

(5) The moneys so provided to be paid into said special fund shall be paid solely out of moneys which shall hereafter be or become due or payable to the county or to which the county shall be entitled from any of the following sources:

(a) All sums which shall be or become due or payable to the county as payment of its share of the tax levied by the State of Alabama under the provisions of Schedule 156.11 of Section 348 of the General Revenue Act of Alabama of 1935 (General Acts of Alabama of 1935, page 509) and allocated or distributed to the county pursuant to the provisions of Schedule 156.9 and Schedule 156.11 of said Section 348 of said act;

(b) All sums and amounts which shall be or become due or payable to the county by any succeeding, corresponding, equivalent, amended, supplemental or additional act or provision of law authorizing or relating to collections received by or apportioned to the county from gasoline or motor fuel taxes, or the proceeds thereof, which the county shall be lawfully authorized to appropriate, transfer, pledge or use for the construction or maintenance of roads and bridges in the county or for the payment of the warrants and interest coupons; it being the intention hereof to include and subject to and set aside, for the payment of the principal of and interest on the warrants, the proceeds payable to the county not merely by virtue of Schedule 156.9 and Schedule 156.11 of Section 348 of the General Revenue Act of Alabama of 1935, but the proceeds payable to or collected by the county under any corresponding, successive, equivalent, amended, supplemental or additional provision of law which the county may lawfully pledge, assign or set apart for the purposes hereof, in such wise that if the allocation provided by said schedules be repealed, suspended, or supplemented, any succeeding, corresponding, equivalent or additional fund shall be subject to the payment of said warrants and the interest thereon as contemplated hereby.

(6) The county depository is hereby directed to make the payments into said special fund in accordance with the provisions therefor provided in paragraphs (4) and (5) hereof. The county depository is further ordered and directed to transmit to The Limestone County Bank of Athens, Alabama, out of the moneys so paid into said special fund, so that said Limestone County Bank will receive the same on or prior to the respective maturity dates of the warrants and the interest coupons, such amounts as shall be necessary to pay the warrants and the interest coupons, as the same respectively mature, at par and without deduction for costs, fees, expenses, or exchange.

(7) Said special fund and all moneys at any time in or pertaining thereto, and the proceeds at any time payable to the county from the tax or taxes referred to in paragraph (5) hereof and herein ordered paid into said special fund, are hereby assigned to the holders of the warrants and the interest coupons, are hereby pledged solely for the payment of the principal of and interest on the warrants and the interest coupons, and are hereby declared to be trust funds solely for the benefit of the warrants and the interest coupons. None of the proceeds so received by the county and herein ordered to be paid into said special fund, and no part of the said special fund or any of the moneys at any time forming a part thereof or pertaining thereto, shall be used for any purpose whatsoever other than for the payment of the principal of and interest on the warrants and the interest coupons. Failure to pay into said special fund the proceeds received by the county from the said tax or taxes, in accordance with the provisions hereof, or use of any of such proceeds for any purpose other than for which the same are hereby pledged, shall constitute a diversion thereof. The warrants and the interest coupons issued hereunder shall be secured pro rata by a lien on the proceeds hereafter accruing to the county from the tax or taxes referred to in paragraph (5) hereof, without preference or priority of one over another by reason or prior issuance or registration thereof, which lien shall be prior to that of any other warrants of the county hereafter issued or any contract of the county hereafter made.

(8) The general faith and credit of the county are not pledged to the payment of the warrants or the interest coupons. The warrants and the interest coupons shall not be general obligations of the county but shall be payable solely out of said special fund. Both the principal hereof and the interest hereon shall be payable at the Limestone County Bank in the City of Athens, Alabama.

This warrant and the interest thereon shall be payable solely from the special fund known as the "State Gasoline Tax Revenue Warrant Fund of 1940" created by the resolution and order under which this warrant is issued. Said special fund consists of certain sums which are directed by said resolution and order to be paid into said special fund out of the moneys receivable by the county as its share of the tax levied by the State of Alabama on the sale, distribution and withdrawal from storage of gasoline and other motor fuels under the provisions of Schedule 156.1 of Section 348 of the General Revenue Act of Alabama of 1935 and distributed among the counties of said state pursuant to the provisions of Schedule 156.9 and Schedule 156.11 of Section 348 of said act. For the payment of the principal of and interest on the said issue of warrants so much of the proceeds of the aforesaid tax, and of any substitute therefor which the county may legally appropriate and pledge for such purposes, are hereby pledged to such extent as may be necessary to pay the said principal and interest. This warrant is issued pursuant to the constitution and laws of the State of Alabama and a resolution and order duly and legally adopted and made by the governing body of the county.

It is hereby certified and recited for the benefit of any person or persons to whom this warrant may be issued or assigned that this warrant represents a valid claim against said special fund; that the amount ordered paid hereby will be so due without condition, abatement or offset of any kind; that all conditions, actions and things required by the constitution and laws of the State of Alabama to exist, be performed or happen precedent to and in the issuance of this warrant, exist, have been performed and have happened; and that provision has been made for the segregation and use of moneys receivable by the county solely for the payment of this warrant and the interest thereon, which funds are hereby represented to be sufficient for such purpose.

This warrant and the interest coupons hereto attached may be assigned or transferred by delivery. WHEREAS, Under an Act of the Legislature approved April 19th, 1933, amending sub-section 11 of Section 6755 of the Code of Alabama 1923, the County governing body may compromise doubtful claims in favor of the County when such claims arise on account of moneys, heretofore paid in good faith, by order of such courts, or in any case where they deem it to the best interests of the County.

NOW THEREFORE BE IT RESOLVED, That under the authority of the act above referred to, it is ordered that each of the officials be relieved of the amounts charged in the examiners' reports on the terms set forth in said Act, and that the money was collected in good faith by the officers and that the services were actually rendered.

Board of Revenue  
Limestone County  
Athens, Ala

Gentlemen:

For \$150,000 legally issued Limestone County, Alabama State Gasoline Tax Revenue Warrants to be dated October 15, 1940 and to mature serially from 1943 to 1950, in semi-annual installments to be determined after taxing into consideration a monthly payment of \$2,000 beginning January 15, 1943 and continuing until the entire principal and interest of these warrants is liquidated out of said monthly payments; said warrants bearing interest at the rate of 3½% per annum payable semi-annually, and secured by a prior pledge of the State Gasoline Tax Revenue accruing to said County, subject only to prior pledge of sufficient revenues from said gasoline taxes to pay principal of and interest on \$36,000 previous issues of warrants, we will pay you par and accrued interest to date of delivery of the warrants to us in Birmingham, Alabama.

This offer is conditioned upon your immediate acceptance and upon our receiving a satisfactory unqualified opinion from our attorneys as to legality of issuance and sale and sufficiency of revenue to pay principal and interest on said warrants as same become due and upon receiving delivery of said warrants prior to November 5, 1940.

We agree to furnish at our expense necessary resolutions and other documents required by our attorneys in the issuance and sale of said warrants; also to furnish warrant blanks ready for your execution. You agree to adopt all necessary resolutions and documents as required by our attorneys, and to execute resolutions authorizing the State Comptroller to pay monthly the amount necessary out of the gasoline revenues above mentioned to pay principal of and interest on said warrants to a Trustee to be designated by us.

In consideration of the above services which we agree to perform and the expenses which we agree to incur, and as our fee for handling the above financing, you agree to pay us the sum of \$4,914, which sum is to be paid

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, OCTOBER 24, 1940

Your acceptance of this proposal shall constitute a legal and binding contract between Limestone County, Alabama, and ourselves.

Respectfully submitted,

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, NOVEMBER 2nd, 1940

BE IT REMEMBERED, The Board of Revenue of Limestone County, Alabama, met on November 2nd, 1940, at ten o'clock A.M., at the County Courthouse in Athens, Alabama, being in adjournment of the regular term of said Board required by law to be held and which was held on October 21, 1940, which was the third Monday in said month of October. The following were present: J. M. Holt, Chairman of the Board of Revenue, and the following members of the board: Homer McLemore, Fred Dawson, W. Claude Marks and Mason C. Freeman; Absent: None. Mr. Holt acted as Chairman or President of the meeting and, a quorum being present, declared the meeting open for the transaction of business.

The following resolution and order was introduced by Mr. Marks:

The Board of Revenue (which is herein referred to as "the board") of Limestone County, (which is herein referred to as "the county"), in the State of Alabama (which is herein referred to as "the state"), has caused an investigation to be made and as a result thereof has ascertained and found and does hereby declare the following facts to be true:

(a) The county did heretofore duly execute, sell and issue \$40,000 principal amount of its 4% State Gasoline Tax Revenue Warrants dated September 20, 1939, pursuant to the authority so to do contained in a resolution and order adopted by the board on September 4, 1939, of which those numbered from 1 to 10, inclusive, aggregating \$10,000 in principal amount, have heretofore been paid and the remainder thereof, being those numbered from 11 to 40, inclusive, and aggregating \$30,000 in principal amount, are now outstanding and unpaid. The county did further heretofore execute, sell and issue \$45,000 principal amount of its 4% State Gasoline Tax Revenue Warrants dated June 1, 1940, pursuant to the provisions of a resolution and order adopted by the board on May 8, 1940, all of which are now outstanding and unpaid. The said warrants so outstanding and unpaid together aggregate \$75,000 in principal amount and are hereinafter referred to as said "outstanding warrants". All of said outstanding warrants were issued for the purpose of providing funds for the payment of labor, services, materials, supplies and equipment necessary in the construction of necessary public roads and bridges in the county and the proceeds received from the sale thereof have heretofore been expended by the county for such purpose.

(b) The board has heretofore from time to time duly authorized the purchase of machinery, equipment, materials and supplies for the purpose of constructing and maintaining certain necessary public roads and bridges in the county and such machinery, equipment, materials and supplies have been purchased and have been used in the construction and maintenance of necessary public roads and bridges in the county and duly verified claims therefor have heretofore been filed with and audited, allowed and approved by the board in the aggregate principal amount of not less than \$60,500.00, for which warrants have not yet been issued, all of which claims are for machinery, equipment, materials and supplies purchased subsequent to March 26, 1936.

(c) It is necessary that the county construct and improve certain additional necessary public roads and bridges in the county, and to that end it is further necessary that the county purchase machinery, equipment, materials and supplies for use in such construction and improvement in addition to those heretofore purchased and referred to in paragraph (b) hereof, the estimated cost of such additional machinery, equipment, materials and supplies being not less than the sum of \$14,500.00.

(d) The county does not now have and will not have funds from its income which will accrue prior to the end of its current fiscal year, or which will accrue prior to the completion of the work proposed to be done in the construction of the public roads and bridges referred to in paragraph (c) hereof, which will be sufficient to pay the aforesaid claims and also pay for the said additional equipment, machinery, materials and supplies. It will be impossible to raise funds to pay said claims and to make such purchases in any manner other than by anticipation of the proceeds which will be received by the county in the future from the tax levied by the state on the sale, distribution and withdrawal from storage of gasoline and motor fuels and distributed to the county pursuant to the laws of the state and any substitute for said tax and any tax levied in lieu hereof (which is herein referred to as "said state tax"). In order to provide for such funds it will be necessary that the county anticipate such proceeds by issuance of its warrants, payable in installments in the future in the manner hereinafter provided. It will be advantageous to the county in the issuance of such warrants if the outstanding warrants should be refunded so as to reduce the number of prior charges on said state tax and also so as to reduce the interest rate borne by the outstanding warrants. To those ends it will be necessary to issue the warrants hereinafter authorized.

(e) During the following fiscal years of the county it received from the state, as the county's share of said state tax, the aggregate sums respectively set opposite the years indicated in the following schedule:

<u>During the county's fiscal year ending:</u>	<u>The county received the aggregate sum of:</u>
September 30, 1938	\$99,770.86
September 30, 1939	104,936.46
September 30, 1940	110,230.10

In the opinion of the board, the aggregate amount which will be received by the county as its share of said state tax during each of the fiscal years of the county to and including its fiscal year ending September 30, 1950, will be not less than the said

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, NOVEMBER 2nd, 1940

sum so received by the county during its fiscal year ending September 30, 1940.

(f) At the present time there are no warrants, bonds, contracts or claims of any kind outstanding which have been heretofore issued or made by the county against, or which are payable out of, the proceeds hereafter to be received by the county from said state tax or any substitute therefor or any tax levied in lieu thereof, or for the payment of which the said proceeds have heretofore been pledged, except the outstanding warrants which will be discharged upon issuance of the warrants hereinafter authorized and the following:

\$12,000 principal amount of 5% State Gasoline Tax Revenue Warrants of the county dated June 1, 1938, being the unpaid portion of an issue thereof in the original principal amount of \$22,000 issued pursuant to a resolution and order adopted by the board on May 31, 1938.

\$23,000 principal amount of 4½% State Gasoline Tax Revenue Warrants of the county dated February 20, 1939, being the unpaid portion of an issue thereof in the original principal amount of \$42,000 issued pursuant to a resolution and order adopted by the board on February 24, 1939.

(g) All the proceeds which may hereafter be received by the county from said state tax, and from any substitute therefor or any tax levied in lieu thereof, will be available for payment of the principal of and interest on the warrants hereinafter ordered issued, except such portion thereof as may be necessary to pay the principal of and interest on the warrants referred to in the preceding paragraph (f). When the warrants hereinafter ordered issued shall be so issued they will constitute the first and only claim and lien on all the proceeds which may hereafter be received by the county from said state tax and any substitute therefor and any tax levied in lieu thereof, subject only to the lien of the warrants referred to in the preceding paragraph (f).

NOW THEREFORE, it is hereby RESOLVED, ASCERTAINED, ORDERED AND DECREED by the board as follows:

(1) The statement set out in the foregoing preambles hereto are hereby found and declared to be true.

(2) There are hereby authorized to be issued by the county one hundred fifty State Gasoline Tax Revenue Warrants (which are herein referred to as "the warrants") of the county aggregating \$150,000 in principal amount, to be numbered consecutively from 1 to 150, inclusive, to be in the denomination of \$1,000 each, to be dated October 15, 1940, and to mature as follows:

The warrants shall bear interest at the rate of 3½% per annum from their date until their maturity, and at the rate of 6% per annum after maturity. Such interest prior to maturity shall be payable semi-annually on April 15 and October 15 of each year, and shall be evidenced by separate interest coupons (which are hereinafter referred to as "the coupons") attached to the warrants. The warrants and the coupons shall be payable at the principal office of Birmingham Trust & Savings Company in the City of Birmingham in the State of Alabama.

(3) The warrants shall be signed by the chairman of the board and the official seal of the board or of the county shall be affixed thereto and attested by the clerk of the board. The interest coupons shall bear the facsimile signature of the chairman of the board, which shall be valid in all respects as if signed by said officer in person. The Judge of Probate, the chairman of the board and the county depository are hereby authorized and directed to register the warrants and the interest coupons as claims against the State Gasoline Tax Revenue Warrant Fund of 1939 hereinafter referred to, and such registration shall be made simultaneously with respect to all of the warrants and the interest coupons.

(4) There is hereby established a special fund to be known as the "State Gasoline Tax Revenue Warrant Fund of 1940" for the purpose of providing for the payment of the principal of and interest on the warrants. Said special fund shall be maintained until both the principal of and interest on the warrants shall be paid in full. There shall be paid into said special fund, on or before the 15th day of each successive month indicated in the following schedule, beginning with the month of November 1940, and continuing to and including the month of January 1950, the amounts respectively set opposite said months in said schedule:

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, NOVEMBER 2nd, 1940

On or before the 15th day of each of the following months:	There shall be paid into said special fund the sum of:
--	--

From November 1940 to and including December 1942	\$407.50
--	----------

From January 1943 to and including January 1950	2,000.00
--	----------

In addition thereto, there shall also be paid into said special fund during each successive six months' period beginning April 15, 1941 and continuing until the principal of and the interest on all the warrants shall have been paid in full the following amounts: (a) the amount by which all payments made into said special fund during any preceding period shall be less than the amount herein required to be paid into said special fund during such preceding period: (b) the amount of all sums theretofore paid into said special fund which shall have been lost or which is not for any reason immediately available for the payment of such principal and interest; and (c) any additional sums which may be necessary in order to pay the principal of and interest on the warrants as said principal and interest are herein provided to be paid.

(5) The moneys so provided to be paid into said special fund shall be paid solely out of moneys which shall hereafter be or become due or payable to the county or to which the county shall be entitled from any of the following sources:

(a) All sums which shall be or become due or payable to the county as payment of its share of the tax levied by the State of Alabama under the provisions of Schedule 156.1 of Section 348 of the General Revenue Act of Alabama of 1935 (General Acts of Alabama of 1935, page 509) and allocated or distributed to the county pursuant to the provisions of Schedule 156.9 and Schedule 156.11 of said Section 348 of said act, as amended;

(b) All sums and amounts which shall be or become due or payable to the county by any succeeding, corresponding, equivalent, amended, supplemental or additional act or provision of law authorizing or relating to collections received by or apportioned to the county from gasoline or other motor fuel taxes, or the proceeds thereof, which the county shall be lawfully authorized to appropriate, transfer, pledge or use for the construction or maintenance of roads and bridges in the county or for the payment of the warrants and interest coupons; it being the intention hereof to include and subject to and set aside, for the payment of the principal of and interest on the warrants, the proceeds payable to the county not merely by virtue of Schedule 156.9 and Schedule 156.11 of Section 348 of the General Revenue Act of Alabama of 1935, as amended, but the proceeds payable to or collected by the county under any corresponding, successive, equivalent, amended, supplemental or additional provision of law which the county may lawfully pledge, assign or set apart for the purposes hereof, in such wise that if the allocation provided by said schedules be repealed, suspended or supplemented, any succeeding, corresponding, equivalent or additional fund shall be subject to the payment of said warrants and the interest thereon as contemplated hereby.

(6) Said special fund and all moneys at any time in or pertaining thereto, and the proceeds at any time payable to the county from the tax or taxes referred to in paragraph (5) hereof and herein ordered paid into said special fund, are hereby assigned to the holders of the warrants and the coupons, are hereby pledged solely for the payment of the principal of and interest on the warrants and the coupons, and are hereby declared to be trust funds solely for the benefit of the warrants and the coupons. None of the proceeds so received by the county and herein ordered paid into said special fund, and no part of the said special fund or any of the moneys at any time forming a part thereof or pertaining thereto, shall be used for any purpose whatsoever other than for payment of the principal of and interest on the warrants and the coupons. Failure to pay into said special fund the proceeds received by the county from the said tax or taxes, in accordance with the provisions hereof, or use of any such proceeds for any purpose other than for which the same are hereby pledged, shall constitute a diversion thereof. The warrants issued hereunder together with the interest from time to time accrued but unpaid thereon shall be secured pro rata by a lien on the proceeds hereafter accruing to the county from the tax or taxes referred to in paragraph (5) hereof, without preference or priority of one over another by reason of prior issuance or registration thereof or otherwise, which lien shall be prior to that of any other warrants of the county hereafter issued or any contract of the county hereafter made.

(7) Birmingham Trust & Savings Company, a bank doing business in the City of Birmingham, Alabama, is hereby designated as trustee for said special fund pursuant to the provisions of this resolution and order. Said special fund shall be held and treated by said trustee as a trust fund for the purposes herein provided. The Department of Finance of the State of Alabama and any successor to its duties are hereby authorized and directed to transmit directly to said trustee such portion of all moneys hereafter payable to the county out of the taxes referred to in paragraph (5) hereof as may be necessary in order to make the payments into the said special fund in accordance with the provisions of paragraph (4) hereof, and the county depository of the county is hereby ordered

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, NOVEMBER 2nd, 1940

and directed to take all steps that may be necessary to cause such payments to be made into said special fund, including the grant to said trustee of authority to collect the payments so provided to be made direct to said trustee by the said Department of Finance and the authority to endorse all warrants, vouchers and checks therefor and to apply the proceeds thereof toward payment of the principal of and interest on the warrants. The county agrees with each holder of the warrants and the coupons that so long as any of the warrants and the coupons shall remain unpaid, it will not revoke the authority and direction for transmission directly to said trustee as contained in the preceding sentence of this paragraph. The said trustee is authorized and directed to pay the warrants and the coupons out of the moneys so paid into said special fund as and when the warrants and the coupons respectively mature. Said trustee may resign as such by written notice of such resignation given to the county, to the original purchaser of the warrants from the county, and to the said Department of Finance or the successor to its duties. In the event the said trustee should at any time hereafter resign or cease or refuse or become unable to act as trustee hereunder for said special fund and it shall thereupon become necessary to appoint a successor trustee to it, then the county may and agrees to appoint as such successor trustee a banking institution in the State of Alabama which shall be a member of the Federal Reserve System and all or any part of whose deposits shall be insured by the Federal Deposit Insurance Corporation or any similar instrumentality of the United States of America, if there is any such. In the event such successor trustee shall be so appointed the county shall, within five (5) days thereafter, give notice in writing of such appointment to the Department of Finance of the State of Alabama (or to the successor to its duties) and to the person to whom the warrants shall have been originally sold by the county. All provisions of this resolution applicable to such trustee shall likewise be applicable to any successor to it so appointed.

(8) The general faith and credit of the county are not pledged for the payment of the warrants or the coupons. The warrants and the coupons shall not be general obligations of the county but shall be payable solely out of said special fund. Neither this resolution nor any of the warrants or the coupons issued hereunder shall be deemed to impose upon the county any obligation to pay the principal of or interest on the warrants, or any other sum, except with the moneys herein directed to be paid into said special fund. None of the agreements, representations and warranties made or implied in this resolution and order, or in the issuance of the warrants and the coupons, shall ever impose any pecuniary liability upon the county, except with respect to the said moneys herein directed to be paid into said special fund.

(9) The form of the warrants and the coupons and the registration thereof shall be substantially as follows, with appropriate changes for the numbers and maturity dates thereof;

The full faith and credit of the county are not pledged to the payment of this warrant or the interest thereon and this warrant is not a general obligation or debt of the county. The county is not obligated to pay the principal of or interest on this warrant except from moneys ordered paid into said special fund, and none of the agreements, representations or warranties made or implied in the issuance of this warrant shall be deemed to impose any liability whatsoever upon the county, except to pay the principal hereof and interest hereon out of the moneys ordered paid into said special fund.

This warrant and the interest coupons hereto attached may be assigned or transferred by delivery. The county agrees with the holder hereof, and with any person or persons to whom this warrant and the said coupons may be assigned, that neither the principal of nor the interest on this warrant will be paid except upon presentation and surrender of the respective warrant and coupons. Said holder and said person or persons agree with the county that it may treat the bearers of this warrant and of said coupons as the owners thereof, and agree that the respective bearers thereof shall be entitled to receive the principal and interest ordered paid thereby. Any owner or holder of this warrant or of any of the said coupons shall be conclusively presumed to forego and renounce his or their equities in favor of subsequent owners or holders thereof for value without notice, and to agree that this warrant and the said interest coupons may be severally assigned or transferred by any person having possession thereof, howsoever such possession may have been acquired, and that any owner or holder who shall have taken this warrant or any such interest coupon from any person for value and without notice shall thereby acquire absolute title thereto and to any claim evidenced thereby, free from all equities and claims of ownership of any such prior owner or holder.

IN WITNESS WHEREOF, the said county, acting by and through its Board of Revenue, has caused this warrant to be signed by the Chairman of the said Board of Revenue, and has caused the seal of said Board of Revenue to be hereto affixed and attested by the Clerk of said Board of Revenue, both of whom have hereunto subscribed their signatures, and has caused this warrant to be dated October 15, 1940.

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE , FEBRUARY 3, 1941

Be it remembered that at a regular meeting of the Board of Revenue of Limestone County, Alabama, held at 10 a.m. on February 3rd, 1941, in the Courthouse, the usual place of meeting, there were present and presiding J. M. Holt, Chairman, and members, Homer McLeMore, Fred F. Dawson, Mason C. Freeman and W. Claude Marks. The following proceedings were had and done, to-wit:

Moved and carried that J. E. Meals be employed to move one double garage and one blacksmith shop from the right of way of the Barker Road and reset the same in a satisfactory manner, and that he be paid \$85.00 for his services and for furnishing all necessary labor, material, and equipment to do the job. CL 3678

Moved and carried that Mrs. Marion Wood, a Notary Public, be employed to get easements signed for right of way on Athens-Elamont Road, and that she be allowed fifty cents for each person signing the easements. CL 3805

The following resolution was offered by Mason Freeman and seconded by W. C. Marks:

WHEREAS, In order that certain proposed road construction projects may be done in the most efficient manner in cooperation with certain WPA funds now available it appears to the best interests of Limestone County that two Diesel Track type tractors be purchased, and

WHEREAS, Upon invitation from the Board of Revenue several road equipment dealers have submitted bids or proposals to furnish such equipment, and

WHEREAS, It appears that the bid of the J. D. Pittman Tractor Company is the lowest and best bid, namely to furnish 2 caterpillar D7 tractors delivered to Athens, Alabama, for \$6,200.00 each and allow \$2,600 for two old "50" tractors, making the net cost of the two new tractors \$9,800.00.

THEREFORE BE IT RESOLVED, That Limestone County purchase the two new tractors at a cost of \$12,400.00 for both, less a trade-in allowance of \$2,600.00 for the old tractors, provided the Company can determine a satisfactory delivery date.

THE STATE OF ALABAMA

IN THE PROBATE COURT

LIMESTONE COUNTY

TO THE HONORABLE A.M. McCONNELL, JUDGE OF PROBATE OF LIMESTONE COUNTY, ALABAMA:

Your petitioner herein, South Limestone Warehouse Company, a corporation under the Laws of the State of Alabama, acting herein by F. T. Richardson as its Secretary and Manager, respectfully shows unto your Honor as follows:

1. That said South Limestone Warehouse Company is a corporation under the Laws of the State of Alabama with its principal place of business located at Belle Mina, Alabama,

2. That the property of said corporation is assessed in Limestone County, Alabama; that for the taxable year 1940 said corporation had assessed in Limestone County, Alabama its real estate and personal property; that a portion of the personal property owned and assessed by said corporation consisted of two cotton trucks and one pair of cotton scales; that said cotton trucks have a value of about \$25.00 for the two of said trucks; that said cotton scales have a value of about \$35.00; that when said cotton trucks and cotton scales were assessed the intention of petitioner was to assess the cotton trucks for \$12.00 for the two trucks and the pair of scales for \$20.00, and that the assessment of said trucks and scales was as follows:

2 cotton trucks	1200
1 pr scales	2000

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, APRIL 21, 1941

That in making the assessment the period was left out between the 12 and the two zeros on the assessment of the cotton trucks and between the 20 and the two zeros on the pair of scales, and when the Tax Assessor of Limestone County made his report on the taxes, the Tax Assessor erroneously showed that the two cotton trucks were assessed for \$1200.00 and the pair of scales was assessed for \$2000.00. In other words, the total assessment of the cotton trucks and pair of scales as turned in by the Tax Assessor was \$3200.00 when as a matter of fact the assessment should have been \$32.00; that petitioner did not know of this error in the assessment until after the tax year had expired when petitioner went to pay the 1940 taxes on said property and at that time the error was discovered and petitioner was informed by the tax authorities, both County and State, and the Attorney-General of Alabama that petitioner would have to pay the taxes on a \$3200.00 basis on said articles rather than on the basis of \$32.00, and that petitioner would have to file this petition asking for a refund of the taxes assessed against said property through error.

3. That on the 11th day of March, 1941, petitioner herein paid to Elmer L. Vinson, as Tax Collector of Limestone County, Alabama, taxes on said property, together with taxes on the real estate described in the said assessment; that petitioner herein paid said taxes under protest and petitioner paid said taxes in the amount of \$106.75. Petitioner represents and shows unto your Honor that on account of the error as described herein that the petitioner was required to pay \$66.53 in excess of the amount of taxes, which it was lawfully due to pay; that said sum of \$66.53, which was paid through error in the assessment without fault of petitioner, was made up as follows:

General Fund of Limestone County	\$15.84
Limestone County Public Building Fund	7.92
Limestone County wide 4 mill school tax	12.67
Limestone County District #1 3 mill school tax	9.51
Taxes going to the State of Alabama	20.59

making a total of \$66.53.

4. Petitioner files this petition by virtue of Section 296 of the General Acts of Alabama of 1935, page 379.

WHEREFORE, Petitioner prays that your Honor will make such certificate as required by law to the end that petitioner may have and procure the refund of taxes in the amount of \$66.53 in accordance with the amounts as set out above.

STATE OF ALABAMA  
LIMESTONE COUNTY      IN THE PROBATE COURT

IN THE MATTER OF THE PETITION OF SOUTH LIMESTONE WAREHOUSE COMPANY  
FOR REFUND OF TAXES PAID THROUGH ERROR IN ASSESSMENT:

The above and foregoing petition of South Limestone Warehouse Company having been duly presented to me and considered by me, and after investigation from the Tax Assessor and Tax Collector of Limestone County, Alabama, I, A. M. McConnell, Judge of Probate of Limestone County, Alabama, do hereby certify that the allegations as set out in said petition appear to be true and that the petitioner, South Limestone Warehouse Company, did on the 11th day of March, 1941, pay unto Elmer L. Vinson, as Tax Collector of Limestone County, Alabama, the sum of \$66.53, and said sum was paid under protest by petitioner and said sum was not a lawful assessment against the property of petitioner, and the error occurred in the assessment of said property in that said property as set out in the petition was assessed for \$32.00, which was 60% of its fair value, and by error the assessment was turned in at \$3200.00; that said sum of \$66.53 as paid in error was made up as follows: General Fund of Limestone County \$15.84; Limestone County Public Building Fund \$7.92; Limestone County wide 4 mill school tax, \$12.67; Limestone County District #1 3 mill school tax, \$9.51 and taxes going to the State of Alabama \$20.59, making a total of \$66.53.

That petitioner was not liable for said taxes as paid in error and that said petitioner is entitled to a refund of said money as follows:

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, JULY 7th, 1941

M. Holt, Chairman, and members, Homer McLemore, Fred F. Dawson, Mason C. Freeman and W. Claude Marks. The following proceedings were had and done, to-wit:

The following resolution was offered by Fred Dawson and seconded by Mason C. Freeman:

WHEREAS, The county now owns more than six thousand cubic yard of limestone dust which is a by-product of the rock crushing plant and which in its present state is practically worthless, and

WHEREAS, This limestone dust may be mixed with asphalt and caused to produce a surface or seal for surfaced roads comparable with a similar commercial product which sells for above seven dollars per ton, and

WHEREAS, the WPA authorities have agreed to furnish all labor, and all bituminous material for the making of this road seal amounting to approximately \$12,000, provided Limestone County will furnish the equipment for mixing the asphalt and dust, and

WHEREAS, The county now has about fifty miles of asphalt roads which are badly in need of resurfacing and sealing, and

WHEREAS, Bids have been received from the various dealers and manufacturers to furnish one plant complete, as per specifications, as follows:

Ed Gantt Machinery Company (White Plant)	--	\$12,000.00
Barber-Greene	--	6,880.00
G. C. Phillips (Cedar Rapids)	--	9,300.00

WHEREAS, It appears that the plant proposed to be furnished by the Barber-Greene Company is the cheapest and best buy for the county.

NOW THEREFORE BE IT RESOLVED, That the Barber-Greene mixing plant be purchased provided a delivery date can be had that will permit the use of the machine at the proper time.

BE IT FURTHER RESOLVED that the machine be paid for by monthly payments over a period not exceeding twelve months and that all payments after October 1st, 1941, be charged to the operations of the year beginning on that date.

CL 284 A vote was taken and the motion carried. Moved and carried that Limestone County pay one-half the cost of a flag for the Courthouse Yard.

The following resolution was offered by Homer McLemore and seconded by Fred Dawson:

BE IT RESOLVED BY THE BOARD OF REVENUE OF LIMESTONE COUNTY, ALABAMA, AS FOLLOWS:

SECTION 1. That the County of Limestone shall enter into a contract with Southern Aviation Training School, Inc., a corporation, lessor, for the leasing of an airfield or airport to the Cities of Decatur and Athens, Alabama, and the Counties of Morgan and Limestone, in words and figures as follows:

THIS CONTRACT, made and entered into as of the 1st day of July, 1941, by and between Southern Aviation Training School, Inc., an Alabama corporation, hereinafter referred to as lessor, and the City of Athens, Alabama, a municipal corporation; Limestone County, Alabama, a municipal corporation; the City of Decatur, Alabama, a municipal corporation; and Morgan County, Alabama, a municipal corporation, hereinafter referred to as lessees,

WITNESSETH:

The lessor does hereby lease and demise unto the lessees, upon the terms and conditions hereinafter set forth and for the consideration hereinafter enumerated, the airfield leased from Lutie P. Shaw et al, and operated by lessor in Limestone County, Alabama, on the east side of the Bee Line Highway in Section 34, Township 4, Range 4 West, in Limestone County, Alabama, for use as a municipal airport for said lessees, subject to the field flying regulations from time to time in force on said airfield.

The term of this lease shall be for a period of fifteen (15) years; provided, however, that in the event the lessor should cease to operate an aviation training school on said airport in a bona fide manner that the lessees shall have the right to take over said airport, including the lease of the lessor, with all of its rights and obligations, to the land leased by the lessor from third parties, and to operate said airport exclusively as a municipal airport; and provided further that as to the lessees, Limestone County, Alabama, and Morgan County, Alabama, that the said counties, or either of them, shall have the right and option to terminate this lease at the end of any leasehold year by giving notice in writing to the lessor at least thirty days in advance of the end of the leasehold year by United States mail, postage prepaid, addressed to the lessor at Decatur, Alabama; in which event said counties, or either of them so terminating said lease, shall not be liable for any further annual rental payments and shall not be entitled to any further use of said properties as a municipal airport, but a termination on the part of said counties, or either of them, shall not affect the liability of the remaining lessees; and provided further that in the event

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, JULY 7th, 1941

the said county lessees, or either of them, should terminate this lease so far as said county lessees, or either of them are concerned, the lessor shall have the right and option to terminate the lease as to all of the lessees.

It is understood and agreed between the parties hereto that the lessor is to operate an aviation training school on said airport and that so long as said aviation training school is operated that the lessees shall not have the exclusive use of the airport, but that the lessor shall have use of the airport to the extent that maybe necessary to its purposes of operating an aviation training school on said airport in a bona fide manner.

The consideration for this lease, to be paid by the lessees to the lessor, is the sum of FIFTEEN THOUSAND AND NO/100 DOLLARS cash upon the execution of this lease, which has been paid by the lessees to the lessor simultaneously with the execution hereof and the receipt of which is hereby acknowledged, and the further sum of FIVE THOUSAND AND NO/100 (\$5,000.00) DOLLARS per year, payable annually in advance, the first payment in the sum of \$5,000.00 being paid contemporaneously with the execution of this lease and the receipt of which is hereby acknowledged by the lessor. The payment of the consideration for this lease is to be made in the following proportions by the various lessees hereunder, to-wit: Of the \$15,000 cash payment above provided for, the City of Athens, Alabama, shall pay \$1,000.00; Limestone County, Alabama, shall pay \$2,000.00; the City of Decatur, Alabama, shall pay \$8,000.00; and Morgan County, Alabama, shall pay \$4,000.00. Of the \$5,000.00 annual rental, the City of Athens, Alabama, shall pay \$333.33; Limestone County, Alabama, shall pay \$666.67; the City of Decatur, Alabama, shall pay \$2,000.00; and Morgan County, Alabama, shall pay \$2,000.00.

The sum of \$15,000.00 above provided for is to be used exclusively in improvement of the airport and the preparation of the land on which the airport is located.

In the event that during the continuation of this lease the lessees or any of them should exercise the right of eminent domain as to the property leased by the lessor from third parties constituting a part of said airport and acquire title to said property by condemnation or otherwise, the lessor agrees that all improvements which have been made by it to said property so leased by it from third parties, such as preparation of the field for flying condition by grading, preparation of runway, marking of the field, payment by the lessor for acquisition of the rights of tenants on said property and payments for removal of power, telephone and telegraph lines shall become the property of the lessees upon such acquisition of title to said property and without further payment by the lessees to the lessor.

The lessor agrees that so long as this lease shall continue in force and effect and the lessees continue to pay the annual rental provided herein, that it will maintain said airport in reasonably good condition and in condition to be used, usable and useful as an airport, and to keep the taxes paid on the part of said airport owned by it in fee simple, and to keep the rental paid on the property leased by it from third parties.

IN WITNESS WHEREOF, this lease contract has been executed as of the day and date first above written in five (5) counterparts, the lessor retaining one executed counterpart thereof and each of the lessees retaining one executed counterpart thereof, said contract being executed by the lessor by and through its President, duly authorized hereunto, and the corporate seal of the lessor affixed by its Secretary; the lessee, the City of Athens, executing the same by and through its Mayor, duly authorized hereunto by resolution of the City Council of the City of Athens, and the seal being affixed and attested by the City Clerk; the lessee, Limestone County, Alabama, executing the same by and through the Chairman of its Board of Revenue, duly authorized hereunto by resolution of the Board of Revenue of Limestone County, Alabama; the lessee, the City of Decatur, Alabama, executing the same by and through its Mayor, duly authorized hereunto by resolution of the City Council of the City of Decatur, Alabama, and the seal being affixed and attested by the City Clerk; the lessee, Morgan County, Alabama, executing the same by and through the Chairman of its Board of Revenue and Control, duly authorized hereunto by resolution of the Board of Revenue and Control of Morgan County, Alabama.

## MINUTES, LIMESTONE COUNTY BOARD OF REVENUE, MARCH 2nd, 1942

Be it remembered that at a regular meeting of the Board of Revenue of Limestone County, Alabama, held at 10 a.m. on March 2nd, 1942, in the Court-house, the usual place of meeting, there were present and presiding J. M. Holt, Chairman, and members, Homer McLemore, Fred F. Dawson, Mason C. Freeman and W. Claude Marks. The following proceedings were had and done, to-wit:

CL 907 Moved and carried that Dr. F. M. Hall be reimbursed for money paid to labor digging a ditch to drain the county jail lot, the amount being \$25.75.

CL 6280 Moved and carried that the Chairman of the Board be and he is hereby authorized to issue a gasoline tax warrant payable December 12, 1942 with interest at 4% to the Limestone County Bank for \$6,450.00 to be used for the construction of roads in Limestone County.

It is ordered that the Chairman of the Board be authorized to sign a cancellation of a certain lease, executed and entered into as of July 1st, 1941 with the Southeastern Air School et al:

THIS CANCELLATION OF LEASE, executed and entered into as of the 31st day of December 1941 by and between Southern Aviation Training School, Inc., an Alabama corporation, hereinafter referred to as Lessor, and the City of Athens, Alabama, a municipal corporation, Limestone County, Alabama, a municipal corporation, the City of Decatur, Alabama, a municipal corporation, and Morgan County, Alabama, a municipal corporation, hereinafter referred to as Lessees,

## WITNESSETH:

Whereas, Lessor and Lessees entered into a lease agreement as of July 1st, 1941, whereby Lessor did lease to Lessees the air field leased by Lessor from Lutie P. Shaw, et al, and operated by Lessor in Limestone County, Alabama, on the East side of the Bee Line Highway in Section 34, Township 4, Range 4 West, in Limestone County, Alabama, for use as a municipal airport for Lessees; and

Whereas, said lease was entered into for a term of fifteen years with certain privileges of cancellation upon thirty days' notice; and

Whereas, it was contemplated by the parties to said lease that there might be commercial aviation activities carried on said airfield and said field be of value as a municipal airport to Lessees and that possibly there would be available at said field an aviation training school open to the public and that possibly commercial air lines might make stops at said field; and

Whereas, due to the state of war it has been necessary that the number of United States army aviation cadets being trained at said field be greatly increased and that the lease from Lutie P. Shaw, et al, to Lessor on said field be taken over by Defense Plant Corporation, an instrumentality of the United States Government, and the use of said field restricted solely to the training of United States aviation cadets and all private, commercial and municipal use of said field prohibited and said lease from Lutie P. Shaw, et al, to Lessor being taken over by Defense Plant Corporation as of December 31st, 1941; and

Whereas, it appears that said field will no longer be available for use as a municipal airport and the parties hereto have mutually agreed to cancel said lease as of December 31, 1941,

Now Therefore, in consideration of the premises, it is mutually agreed by and between the parties hereto that said lease executed between the parties hereto as of July 1st, 1941, and more fully described in the premises hereof, be and the same is hereby terminated, cancelled and annulled; said cancellation, termination and annulment to be effective as of December 31st, 1941.

In Witness Whereof, this agreement of cancellation has been executed in five counterparts, the Lessor retaining one executed counterpart and each of the Lessees retaining one executed counterpart, all as of December 31st, 1941.

For

RELOCATION OF POLES CONSTITUTING A PORTION  
OF AUTHORITY'S ATHENS-BELLE MINA TRANSMISSION  
LINE

THIS AGREEMENT, made and entered into this 30th day of May, 1942, by and between Tennessee Valley Authority (hereinafter called "Authority"), a corporation created and existing under and by virtue of the Tennessee Valley Authority Act of 1933 as amended, and LIMESTONE COUNTY, ALABAMA (hereinafter called "County"), a political subdivision of the State of Alabama, acting by and through the Board of Revenue of Limestone County.

W I T N E S S E T H :

WHEREAS, County is now engaged in reconstructing a county highway extending between Mooresville, Alabama, and Elkton, Alabama; and

WHEREAS, the reconstruction of such highway will require that the Authority relocate approximately twenty-nine (29) poles of its Athens-Belle Mina transmission line located on private property over which Authority has easements for such poles; and

WHEREAS, the transmission line is the property of the United States of America and is in the custody and control of Authority as agent for the United States of America;

NOW THEREFORE, in consideration of the premises and of the mutual covenants herein contained, and subject to all the provisions of the Tennessee Valley Authority Act of 1933 as amended, the parties hereto agree as follows:

1. The Authority shall, with due diligence and dispatch, relocate the portion of its Athens-Belle Mina transmission line, including approximately twenty-nine (29) poles, as shown on the sketch map marked Exhibit A, attached hereto and hereby made a part hereof.

2. Immediately upon completion of the work provided for in paragraph 1 hereof, County will pay to Authority an amount equal to the cost of such work to the Authority, including overheads of not to exceed twelve and one-half percent (12½%) of such costs.

3. County recognizes that the portion of its Athens-Belle Mina transmission line to be relocated by Authority as provided in Section 1 above is now located upon a right-of-way owned by Authority. In consideration of the fact that Authority, in order to spare County the expense of providing Authority with a right-of-way for its said line as relocated, will relocate the said portion of its said line to a public highway right-of-way without cost to County other than as provided in Section 2 above, if Authority should at any time be required by any governmental authority or agency to remove the said portion of its said line from the said location on the public highway right-of-way or to change the said portion of the said line on the said public highway right-of-way, County will at its expense provide Authority with rights satisfactory to Authority for relocating or changing its said line and reimburse Authority for the costs of such relocation or change, including overheads of not to exceed twelve and one-half percent (12½%) of such costs.

## SECOND AGREEMENT

Between  
TENNESSEE VALLEY AUTHORITY  
And

LIMESTONE COUNTY, ALABAMA

For

RELOCATION OF POLES CONSTITUTING A PORTION  
OF AUTHORITY'S ATHENS-BELLE MINA TRANSMISSION  
LINE

THIS AGREEMENT, made and entered into this 16th day of November, 1942, by and between TENNESSEE VALLEY AUTHORITY (hereinafter called "Authority"), a corporation created and existing under and by virtue of the Tennessee Valley Authority Act of 1935 as amended, and LIMESTONE COUNTY, ALABAMA (hereinafter called "County"), a political subdivision of the State of Alabama, acting by and through the Board of Revenue of Limestone County,

## W I T N E S S E T H :

WHEREAS, County is now engaged in reconstructing a county highway extending between Mooresville, Alabama, and Elkton, Tennessee; and

WHEREAS, the reconstruction of such highway will require that in addition to the pole relocation provided for by an agreement between the parties dated May 30, 1942, the Authority relocate approximately forty-two (42) other poles of its Athens-Belle Mina transmission line located on private property over which Authority has easements for such poles; and

WHEREAS, the transmission line is the property of the United States of America and is in the custody and control of Authority as agent for the United States of America;

NOW THEREFORE, in consideration of the premises and of the mutual covenants herein contained, and subject to all the provisions of the Tennessee Valley Authority Act of 1935 as amended, the parties hereto agree as follows:

1. The Authority shall, with due diligence and dispatch, relocate the portion of its Athens-Belle Mina transmission line, including approximately forty-two (42) poles, as shown on the sketch may marked Exhibit A, attached hereto and hereby made a part hereof.

2. Immediately upon completion of the work provided for in paragraph 1 hereof, County will pay to Authority an amount equal to the cost of such work to the Authority, including overheads of not to exceed twelve and one-half percent (12½%) of such costs.

3. County recognizes that the portion of its Athens-Belle Mina transmission line to be relocated by Authority as provided in Section 1 above is now located upon a right-of-way owned by Authority. In consideration of the fact that Authority, in order to spare County the expense of providing Authority with a right-of-way for its said line as relocated, will relocate the said portion of its said line to a public highway right-of-way without cost to County other than as provided in section 2 above, if Authority should at any time be required by any governmental authority or agency to remove the said portion of its said line from the said location on the public highway right-of-way or to change the said portion of the said line on the said public highway right-of-way, County will at its expense provide Authority with rights satisfactory to Authority for relocating or changing its said line and reimburse Authority for the costs of such relocation or change, including overheads of not to exceed twelve and one-half percent (12½%) of such costs.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their duly authorized officers, as of the day and year first above written.

The respective lessees shall be responsible and liable only for the proportionate part of said rental herein respectively agreed by them to be paid.

The \$1,000.00 payment upon the execution hereof, which pays the rent through June 30th, 1943, is to be used exclusively in acquisition, improvement and preparation of the land on which the airport is located.

The lessor agrees that so long as this lease shall continue in force and effect and the lessees continue to pay the annual rental provided herein, that it will maintain said airport in reasonably good condition and in condition to be used, usable and useful as an airport, and to keep the taxes paid on said property.

IN WITNESS WHEREOF, this lease contract has been executed as of the day and date first above written in three (3) counterparts, the lessor retaining one executed counterpart thereof, and each of the lessees retaining one executed counterpart thereof, said contract being executed by the lessor by and through its President, duly authorized hereunto, and the corporate seal of the lessor affixed and attested by its Secretary; the lessee, the City of Athens, executing the same by and through its Mayor, duly authorized hereunto by resolution of the City Council of the City of Athens, and the seal being affixed and attested by the City Clerk; the lessee, Limestone County, Alabama, executing the same by and through the Chairman of its Board of Revenue, duly authorized hereunto by resolution of the Board of Revenue of Limestone County, Alabama.

M. Holt, Chairman and members, R. O. Moore, Homer McLemore, John C. Batts and Fred F. Dawson. The following proceedings were had and done, to-wit:

Moved and carried that a loan of \$10,000 be obtained from the Limestone County Bank and that ten warrants of one thousand dollars each be issued payable from the gasoline tax fund with interest at three percent from date of issuance as follows:

Warrant No.	462	for	\$1000.00	payable	December 21, 1944
"	No. 463	"	1000.00	"	January 21, 1945
"	No. 464	"	1000.00	"	February 21, 1945
"	No. 465	"	1000.00	"	March 21, 1945
"	No. 466	"	1000.00	"	April 21, 1945
"	No. 467	"	1000.00	"	May 21, 1945
"	No. 468	"	1000.00	"	June 21, 1945
"	No. 469	"	1000.00	"	July 21, 1945
"	No. 470	"	1000.00	"	August 21, 1945
"	No. 471	"	1000.00	"	September 21, 1945

It is further ordered that the proceeds from this loan be used for road construction work in Districts One and Two.

It is ordered that A. L. Phillips be employed to make one book case for the Tax Assessor's Office.

It is ordered that Ellis Chambers furnish the necessary supplies and repair the courthouse clocks.

The following resolution was introduced by Fred Dawson and seconded by John C. Batts:

WHEREAS Limestone County has entered into an agreement with the Alabama State Highway Department to improve certain roads in the county, the cost of which shall be paid jointly and equally by the county and State as provided by the Farm to Market Road Act of 1940, and,

WHEREAS, the regulations of said Act provide that the proposed work shall be done and that one-half of the cost will be refunded by the state from the proceeds of one cent of the state gasoline tax as the same may accrue and be paid from month to month, and

WHEREAS, since the entire cost of the project will greatly exceed the county funds now available and since the state funds will not be paid until estimates of the completed work can be processed and,

WHEREAS, there is at present a considerable surplus in the General Fund over and above that which will be required for the current expenses chargeable against the General Fund,

NOW THEREFORE BE IT RESOLVED that it appears to the best interest of Limestone County to appropriate and transfer \$12000.00 from the General Fund to the Gasoline Tax Fund, and

Be it further resolved that as the state's share of the cost of the project accrues and is paid to the county and equal amount be transferred from the gasoline fund to the General Fund until such time as the amount so transferred may equal \$12,000.00.
